PLACE ONE OF THESE SHEETS IN EACH BAG/BATCH TO BE PROCESSED

No Deposit is required when your fleece arrives at our mill. 2-3 Weeks before your fiber is scheduled to go into processing, you will receive an estimate, and a deposit of 50% will be required. Fiber will not be washed or processed until the deposit is received.

Turn around times are not guaranteed. We make every effort to set realistic expectations, however, there are too many variable to guarantee turn around times.

Deposits not received within 30 days of initial request may be put back to the bottom of the waiting list. Deposits not paid within 6 months of initial request will not be processed. Customer will be responsible for handling and storage fees or fiber will be forfeited.

A 5% late fee is assessed to all orders not paid for with 30 Day of completion. Fiber not paid for within 90 days of completion will be forfeited and become the property of Colorado Wool Company.

All fiber in our possession is subject to handling and storage fees if you choose not to process your order. See our website for full details.

All fiber must be skirted and sorted prior to arriving at the our mill. All unskirted/unsorted fiber will be returned at owners expense.

Remember that our equipment is not designed to get all vegetable matter and second cuts out. If you send junk in your fiber you will get junk in your final product.

Shipping to and from the Colorado Wool Company is the responsibility of the owner. Items will ship the same week cleared final payment is received. You may request finished orders be delivered to a show we plan to attend and raw fiber may be picked up at shows we attend. No additional charges for show pick up and drop off.

I, _____, agree to the terms and conditions set forth on the Colorado Wool Company price sheet, and give permission to process my order according to the written instructions above. I understand payment for these services and shipping is my sole responsibility.
